OBJECTIVE:

To obtain a secondary or middle level teaching position in the area of Mathematics.

CREDENTIAL:

SB 2042 Single Subject Credential: Foundational Mathematics **June 2014**
with an **English Learner Authorization**
NCLB complaint through CSET
California State University San Marcos 4.0 GPA

EDUCATION:

Bachelor of Arts in Liberal Studies, Depth of Study in Mathematics **May 2012**
California State University San Marcos 3.2 GPA

EXPERIENCE:

8th Grade Math Teacher **November 2014- June 2015**

Olive Peirce Middle School

Ramona, California

- Taught 5 8th grade Introduction to Algebra courses that covered: Slope, Solving Systems of Linear Equations; Graphing, Substitution, and Elimination, Properties of Exponents, Scientific Notation, and Pythagorean Theorem (based on common core state standards)
- Taught 1 Academic Support class (ACE) in which students spend time making up missing assignments, participating in monthly writing activities, checking grades, and organizing planners/backpacks
- Collaborated with other 8th grade math teachers each week to plan and implement curriculum
- Created/ emailed weekly course lesson plans
- Posted all in-class notes/homework assignments daily on teacher website
- Updated grades online through PowerTeacher GradeBook daily
- Facilitated school wide Reading and Writing Projects with other ACE teachers in which students complete writing activities to strengthen their writing skills in all content areas: Math, History, English, Science, and Art (Elective) with a focus on reading, annotation, citing evidence, and paragraph structure
- Attended all IEP/ Student support meetings
- Implemented 1 new common core curriculum: Springboard

- Attended all district trainings- curriculum implementation, state testing, etc.
- Facilitated/ Administered the Common Core Smarter Balanced State Testing
- Attended all staff meetings
- Studied/ Implemented the work of John Hattie: Success Criteria and Learning Intentions

Student Teacher (Clinical Practice 2)

Spring 2014

High Tech Middle North County

San Marcos, California

- Taught a multicultural and special needs full inclusion 6th grade math class under the direction of Vivian Chen
- Taught and planned units on Ratios/ Proportional Relationships and Geometry through Common Core Standards
- Attended all IEP meetings, field trips, and student exhibition displays
- Participated in staff development in relation to the Common Core and Mathematics instruction
- Assisted with the implementation of the Smarter Balanced State testing
- Assisted with creating interdisciplinary projects

Student Teacher (Clinical Practice 1)

Fall 2013

Valley Continuation High School

Escondido, California

- Taught a multicultural Geometry class mainly composed of juniors and seniors with special circumstances including, but not limited to; expulsions, credit deficiency, behavioral concerns, and/or juvenile probation under the direction of Myron Kwai
- Planned a 4 week unit on 2 and 3 dimensional shapes that aligns with the Common Core State Standards and 8 mathematical practices
- Taught a 4 week Common Core unit on Constructions through technology integration- Geometry Pad on the iPad
- Coordinated two Red Cross blood drives on campus
- Coordinated a field trip to Bates Nut Farm

Mathematics Tutor

September 2012-present

Wyzant Tutoring: Online database for Academic Tutors

<http://www.wyzant.com/Tutors/LearningByLindsey>

- Tutor students in all areas of San Diego County ranging from middle school math through College Algebra

San Diego County Office of Education: Teacher Assistant December 2010-August 2013

Breaking Cycles: Juvenile Court and Community Schools

San Marcos, California SDCOE

- Assisted classroom teacher in a Math/Science class, grades 9-12
- Assisted teacher in Mathematics instruction; primarily Algebra and Geometry
- Assisted students with classroom assignments
- Assisted teacher with classroom management procedures
- Filed and organized all student paperwork including, but not limited to; grades, intake paper work, transcripts, credits, IEPs, etc.
- Assisted teacher in grading and creating report cards
- Assisted teacher with student enrollment and release procedures
- Worked closely with probation staff to ensure success of all students
- Attended all IEP/ Student support meetings

BACKGROUND/ OTHER EXPERIENCE:

- Pre-selected and volunteered as an academic tutor for a special needs Geometry class in high school: Fall 2006, Rancho Bernardo High School
- Worked as a Photo Technician/Trainer for Longs Drugs/ CVS (2007-2010)
- Attended 2013 San Diego Computer Using Educators Conference: California State University San Marcos
